### **Images**

Most images were collected from Google Image. The citation for each image is by the image. Where possible the original source of the image was cited otherwise the citation refers to websites and blogs where the image was found. While many of these websites and blogs had relevant information to the course material only the images were used. No website or blog was used as a reference for the course material unless listed below.

### **Course Content**

Information for the content of this course was obtained from the following sources.
